'together we are stronger'

What's happened this week?

Africa Alive
On Thursday we took the whole school on an adventure to Africa Alive as part of our topic work. The children were brilliantly behaved and had a great time. They handled a spiny mouse, a giant African land snail and a Royal Python called Sally. We returned very weary after a wonderful day.

Sports Day - Wednesday was our very popular and well supported sports day. Well done to the Blue House who claimed the top spot with 311 points to Red House's 303 and Green House's 278. What amazing competitors!

Sparkle Project!

Last Friday, six children from The Coastal Federation took part in a puppet-making session as part of the Sparkle Project, funded by Children in Need. They chose a puppet to make, put it together and painted it. It was great fun and the children got to take them home, along with a copy of the film they made of their own puppet show at the puppet theatre we visited back in March.

Just a reminder that if you have any newspapers or paper to recycle the school receives donation from the paper bank located on The Poacher's Pocket carpark. Thank you to them for supporting us.

Here Comes the Sun! - Just a reminder that now summer has finally arrived it is really important that the children have a sunhat and wear sunscreen. They are on the field at lunchtime where there is very little shade. To improve this we have purchased some new parasols and we have the sail for the boat in the Sea Sanctuary garden. Thank you for your support with this in keeping your child safe and healthy.
