'together we are stronger'

As we break for summer some will be feeling happy while others might be feeling sad (mostly the year 6s), sad because they are leaving. Remember: *"This is not the end but merely the end of the beginning."* Good luck in high school year 6, and remember you can be anything you want to be!

'together aspire, together achieve, together we are stronger...'

What's happened this week?

Norfolk Biodiversity Awards

On Tuesday we attended the Norfolk biodiversity awards following a nomination for our Sea Sanctuary Garden. As you can see from the picture we won the category of 'Inspiring children and young people.' The children we took with us to represent the school were fantastically behaved and represented Bacton brilliantly. Their favourite part was the buffet with curly fries. Of course we wouldn't have been invited without your help in building the garden in the first place so thank you again for all your hard work and donations. The children love using the space.

Final Assembly - The marathon
On Thursday we were joined by many parents and relatives of children in school to celebrate achievements of pupils from all year groups. We introduced our first head boy and girl and Mrs Rooke with her governor hat on presented the citizenship award. The assembly ended with a goodbye from year 6.
