'together we are stronger'

Another busy week 'Growing together'

Road Safety Show

On Thursday Olly Day visited us and performed his renowned road safety magic show. The children learnt lots about how to keep themselves safe and had great fun along the way. Even some of the staff became willing volunteers during the show.

Sad News

For the past 11 years Mrs Macdonald has been out in all weathers crossing children to and from school each day. You will have received a letter today from Norfolk County Council informing you that she will no longer be doing the Lollipop role from 16/5/2018. We will of course be thanking Mrs Macdonald formally nearer the time.

Good News

Norfolk County Council have agreed to continue to fund a crossing patrol and are advertising the post. We need your support in finding a new crossing patrol person - if you are interested in the position please see Mrs Howes in the office for details.

Lots more photos available to view on the **NEW LOOK** school website.

Year 2 and 6 SATs

SAT tests are fast approaching for years 2 and 6. Year 2 will sit their SATs at the end of May. Year 6 will sit their SATs week commencing 14th May which means there are just **21** school days of learning left. On 29th March - the first day of the holiday year 6 children have been invited to attend Easter booster school. A free lunch will be provided for those attending.

Easter Disco

The school council requested a school disco so with this in mind on Tuesday 27th March we will be running a school disco for children in Seahorse, Dolphin and Shark classes. The disco starts at 16:00 and ends at 17:00. Tickets are £1.50 and this includes crisps, sweets and a drink - pay at the door on entrance. Time to boogie on down!

Residential Visits 2019 Parent Meeting

On Wednesday 18th there will be a meeting for parents with children in Shark class (years 5 and 6) to hear about our forthcoming residential school exchange visit to Bruce Grove in Tottenham planned for this academic year and a new visit to The Isle of Wight in 2019. Hope to see you there.

Defibrillator

The school has been offered the opportunity to host a defibrillator which will be accessible **at all times** to both the school community and general public. It has been funded by Shell at the gas terminal in conjunction with

Jayne Biggs from and should be installed soon.

On Thursday 14th June Jayne will be leading a defibrillator training session at Bacton Community Centre @ 18:30 for those who would like to know more about when and how to use it.

Once the schools defibrillator is fitted she will also be coming into school to offer similar training to staff.
