AIM Federation: Small schools, big opportunities

22 June 2026

Dear Parents and Carers,

As we approach the end of the academic year, I would like to share some staffing updates that will take effect from September 2026.

At the end of this term, we will be saying goodbye to two valued members of staff who will be taking up new roles within the AIM Federation. **Kirsty Leadbetter**, Teaching Assistant in Seahorse Class, will be joining the team at Horning Primary School, and **Miss Hannah Kingston**, who has taught Shark Class for the past two years, will be moving to Freethorpe Primary School to teach Year 5 and Year 6. We would like to thank them both for their dedication and contribution to the Bacton school community and wish them every success in their new roles.

We are delighted to welcome two new members of staff to the Bacton team from September. Miss Abi Bramley, who is currently teaching at Mundesley Infant School, will be joining us as the new teacher for Shark Class. Abi brings with her a wealth of experience and enthusiasm, having previously taught year 6 for a number of years and we are looking forward to introducing her to pupils and families. Children will get the opportunity to meet Mrs Bramley during the transition morning.

We are also pleased to welcome back Mrs Sarah Brown, who will be rejoining the Bacton team. Many members of our school community will remember Sarah from her previous time with us both in preschool and the main school, and we are excited to have her return to support our children and staff.

Thank you for your continued support. We are looking forward to another successful year ahead and are excited about the opportunities that these staffing changes will bring.

Yours sincerely,

David Hopkins
Executive Headteacher - AIM Federation
