AIM Federation: Small schools, big opportunities

7th September 2026

Dear Parents and Carers,

PTFA Open Discussion – We'd Love to Hear from You

We would like to invite you to an open discussion about Bacton Primary School PTFA (Parents, Teachers and Friends Association).

Our PTFA plays a vital role in supporting the school community, helping to fund resources, experiences and opportunities that directly benefit our children. As we look ahead to the next school year, we would love to hear from parents and carers who may be interested in getting involved in any capacity.

Please join us on:

Date: Tuesday 15th September
Time: 3:15 - 4pm (your children can play in school during the meeting, should you need)

This is an informal opportunity to:

- Learn more about what the PTFA does.
- Discuss future fundraising events and activities.
- Share ideas for supporting the school community.
- Find out how you can get involved.

Not everyone has the time to join the PTFA committee, and that's absolutely fine. We are also looking for people who may be willing to help with just one or two events during the year, whether that's helping set up, serving refreshments, securing raffle prizes, selling raffle tickets, or lending a hand behind the scenes. Every contribution, no matter how small, makes a real difference.

Whether you're able to volunteer regularly, help occasionally, or simply have an idea to share, we would be delighted to welcome you.

If you are unable to attend the meeting but would like to express an interest in helping, please contact us via the office email address office-bacton@aimfederation.org.

We look forward to meeting you and working together to continue making Bacton Primary School a wonderful place for our children to learn and thrive.

Kind regards,

Bacton Primary School PTFA
