'together we are stronger'

## Another busy week 'Growing together'

### Typical Thursday

It's not just trips and topic days when exciting learning takes place in school. Every day is packed full of new learning, fun and collaboration. Thursday was the perfect example of this. Walking round the school children in every class were busy and enthused. In Shark and Dolphin classes the children were working together on creating interactive posters that show the course of a river. Meanwhile in Seahorse class children were creating gymnastic sequences using a range of balances and ways of travelling. Great work everyone - keep it up.

### SATs Breakfast Club

We will be running our popular SATs breakfast club for year 6 children Monday to Thursday during SATs week. There will be a selection of cereals, crumpets toast, jam and juices for the children to choose from. SAT breakfast booster allows for last minute recapping and ensures they are calm and focused. SATs breakfast starts at 8:00 am. There is no charge for year 6 children to attend.

### Our next story cafe...

Our next story cafe will be a little different to our normal events. We will be combining maths and story by telling a maths story followed by maths workshops in class where you can work alongside your child and of course it wouldn't be a cafe event without a selection of scrumptious cakes.

Join us 22.5.18 @ 14:00-15:10

Hope you can make it!

## MUFTI DAY

### Mufti Day

Friday 18th May will be Mufti day. Donations of bottles are requested for the PTFA summer fair bottle tombola please.

### Road Crossing Patrol - Sad News, Good News

After many years standing out in all weathers crossing our children safely across the road Mrs Macdonald will be leaving her road crossing patrol role on Wednesday 16th May. We would like to say a huge thank you to her for her hardwork and dedication. It's not goodbye though as she will continue with her caretaker role. Norfolk County Council have agreed to replace her role and with this in mind Mrs Rooke will begin as our new crossing patrol member of staff on Thursday 17th May.

### Defibrillator

The school has been offered the opportunity to host a defibrillator which will be accessible **at all times** to both the school community and general public. It has been funded by Shell at the gas terminal in conjunction with Jayne Biggs from  and should be installed soon.

### School Summer Fair
