'together we are stronger'

Another busy week 'Growing together'

Collaborative working The Great Wave

There was a buzz of creativity as year 3, 4 and 5 hit the floor with wave inspired art. We especially enjoyed creating our own painting tools out of twigs, feathers, leaves and pine cones. Then while listening to sea inspired music, we recreated the dramatic atmosphere of a storm. This will form part of our collaborative contribution to next year's Bacton Gas calendar.

More collaborative working

Science making plastic

Sharks have been exploring the properties of materials and last week we investigated how the properties of milk can be changed to make it into a plastic-like material. The smell and feel of the new material was quite strong!

Even more collaborative working

Reception have been working really hard this week to learn about doubling numbers. They have doubled the numbers of spots on ladybirds.

Year one and two have been helping each other plan a story. We have finished reading the story Olga da Polga so we are now writing our own adventure for Olga.

SATs Meal

A huge well done to the year 6 children who have now completed their key stage 2 SATs tests. They have worked hard all year honing their knowledge and skills. To mark the end of this Miss Peck took the children for a special celebratory meal to Sugar and Spice. Well done everyone for your determination and resilience.

Our next story cafe...

Our next story cafe will be a little different to our normal events. We will be combining maths and story by telling a maths story followed by maths workshops in class where you can work alongside your child and of course it wouldn't be a cafe event without a selection of scrumptious cakes.

Join us 22.5.18 @ 14:00-15:10

Hope you can make it!

After School Clubs

Please note that all after school clubs with the exception of cricket club which takes place on Wednesday are now closed until after half term. They will restart the from the first Wednesday back with some changes to those clubs offered.

Defibrillator

The school has been offered the opportunity to host a defibrillator which will be accessible **at all times** to both the school community and general public. It has been funded by Shell at the gas terminal in conjunction with

Jayne Biggs from  and should be installed soon.

School Summer Fair

Our very popular summer fair which is organised by the PTFA is scheduled to take place on Saturday 21st July @12:00pm-4:00pm there'll be raffles, games, refreshments and for the second year Bacton's got talent. Pop the date in your diary and hope to see you there.

coastFest

This year's **Coastfest** will be held on **Gold Park** on **Saturday 30th June** in conjunction with the Soap Box Derby. Save the date and watch this space for more details.....

Norfolk Model Calendar

This calendar applies to community schools, community special schools, VC schools and nursery schools and sets the days on which school transport will be provided. While most Foundation, VA, foundation special, free schools and academy trusts who are able to set their own dates, adopt the Norfolk Model, we advise you to check with your child's school before making holiday or other commitments.
