Increase in price of school dinners

April 2019

Dear Parents/Carers,

We are writing to inform you of some changes to the price of school dinners. In line with other large companies who provide school dinners we are increasing the price from £2.20 to £2.30 per meal which will come into effect from 23rd April 2019.

The increase is due to the ongoing impact of the National Living Wage on the cost of providing school meals and the impact of the rise in the cost of food. We are making this decision to ensure that we can continue to provide a variety of healthy dinners for all pupils without running at a loss.

We appreciate that this may cause issues and we would like to stress that this decision has not been made lightly. This increase will not affect pupils in Reception to Year 2 who will continue to have free school meals under the Universal Infant Free School Meal scheme.

Please look at the new menu and pre-order your meals for next term by going to www.eduspot.co.uk from April 5th.

Yours sincerely

Simon Wakeman
Executive Head
