'together aspire, together achieve, together we are stronger...'

25th February 2021

Dear Parents,

School Uniform September 2021

You will be aware that over the last 5 years Bacton Primary, Mundesley Infant and Junior schools have been working very closely together which has been fantastic for the children and staff.

We would now like to take that joint working to another level and that is to introduce a single different uniform colour of a navy blue logo sweatshirt across the three schools, currently we have red, royal blue and purple. Each school will retain their own logos on their sweatshirts.

Why do this now?

At this time of the year our incoming reception children will require a new sweatshirt, so this is a good time to start the process of swapping.

What will be the cost?

There will be no additional cost to parents. Should you be planning to recycle older siblings' red sweatshirts for younger siblings then please continue to do so. We realise that this will mean that we'll have a mixture of colours while the swap happens but through the natural replacement of sweatshirts that are too small or worn-out this shouldn't take too long. The red sweatshirts can continue to be worn until a new one is needed and that will be navy with a Bacton logo. Pupil Premium children will be able to purchase their sweatshirts for half of the cost - please contact the office for details.

Details of how to purchase a navy sweatshirt will be sent out soon.
