Friday 18th June 2021

Dear Stakeholders,

The governing bodies of both the Coastal and the Together Federations met on Tuesday 15th June 2021 to consider the responses to the consultation for the proposed joining of two federations into one. All responses received were overwhelmingly positive, so we are pleased to announce that both governing bodies voted unanimously in favour of federating. The new federation will come into effect on 1st September 2021, whereupon both existing governing bodies will dissolve and a new one will be formed.

As two existing federations that know the benefits of improving outcomes for our children, especially in small schools, through collaborative working, team support and shared best practice, we are very excited to see this continue to benefit our children further across the 6 schools.

We are now seeking governors for the new governing body. Both existing and new governors are welcome to apply. To help you decide if you would like to be part of the new governing body, please find attached a 'proposed' overview of the structure, member numbers, meeting info and roles and responsibilities. Also attached is the letter and form for completing parent/staff governor vacancies. If you are interested in or maybe know somebody in our local communities that are interested in becoming a co-opted governor, please send a letter of interest to any of the schools marked for the attention of the Executive Head by Friday 9th July 2021.

We would both like to thank all our parents/carers, staff and governors for their continued support and look forward to the formation of the new federation.

Best wishes

Annie Edwards
Chair of Governors - Coastal

Bruce Gordon
Chair of Governors - Together
