Friday 20 May 2022

Dear Parents/Carers

## Norse Catering Service

We are delighted to confirm that from 1st June our food provision will be provided by Norse Catering for Mundesley Infant, Mundesley Junior and Bacton Primary School. This is part of our ongoing aim to provide a comprehensive and cost effective service to our children and parents.

What will stay the same?

- Your child's meals will be cooked and served using fresh local ingredients wherever possible by a qualified team based at the kitchen in Mundesley Junior school. Meals will be transported to Bacton and the Infant school as normal.
- You will continue to book and pay for your child's meals on the School Money system, the menus will be available online as always.
- There will be 2 choices of hot meals, (one of which will be plant based) a jacket potato option and a packed lunch option each day.

What will be different?

- There will be greater choice on the menu provided
- There will be some new staff in the team joining the existing team already there.
- You will need to register your child's allergens/special dietary requirements on the form provided.

What happens next?

Please take a moment to read the new menus; complete the allergen registration and provide any documentation required by **Wednesday 25 May 2022**; then book your child's meals for next term! If you have any allergen queries please contact Trish Webster on 01263 720401.

**Simon Wakeman**  
Executive Head
