No.37 Summer Term

07.07.23

Another Fantastic Week - 'Growing Together'

Starfish Preschool

What a busy week we've had in Starfish!

At the beginning of the week we decided to have a look at some of our resources in the shed on the field. The children were very curious and collaboratively worked together to explore the different toys and resources and help the adults decide which ones to keep out and which ones to put away for another day.

The ever changing weather has not stopped Starfish from spending time outside. We have been working hard with sharing the resources and taking turns but the children have remembered their kind hands and words with the older children supporting the younger ones to share too.

Starfish have also been recapping the Monster Phonic characters and looking at a variety of stories this week. The children have been showing the adults how we look after our books and have enjoyed choosing books they like, telling stories by using the pictures in them. Some of our older children even read stories to the younger children, showing them the pictures and asking if they would like another story.

In Maths, we have been working on our shape knowledge. We used different shapes and paint to make colourful patterns. The children were brilliant at naming the different shapes and enjoyed putting the shapes together to make new shapes.

Seahorse class

It has been another busy week in Seahorses. Reception read the book 'Mr Gumpy's Outing' in maths and have been problem solving. This has included finding how many legs in the boat and who it could be, trying to create a boat that doesn't sink and fitting everyone in the boat. Year one and two have been recapping their knowledge of numbers and ensuring we know what we need to and are more confident ready for our transitions in September. This week has included reading and writing numbers, doubling and halving.

In English, reception have started a book that year one and two will join in with next week called 'Too Small Tola'. This week year one and two have finished their writing on 'Jumanji'. We learnt that a lion and monkeys came out of the game and the children have written their own endings for the story.

Dolphin class

This week has been a very busy week for Dolphins with lots of different learning happening in the classroom. We started the week learning all about Kennings, these are a type of riddle-like poem consisting of two-words to describe a noun. See if you can guess what each of these Kennings describe that were written by the class.

Mud-roller
Fat-eater
Veggie-gobbler
Ugly-eater

Bright-flasher
annoying -ringer
Selfie-taker
google -searcher

The children had great fun creating these poems, being able to showcase their own creative ideas.

Elsewhere in maths, the class has moved onto our geometry unit, where so far we have been learning about angles, triangles, quadrilaterals and polygons. They have been able to identify the different types of triangles, how quadrilaterals all have four sides and naming shapes with up to eight sides.

In topic, we have been on our music block where the class got to practise and perform a musical number with boomwhackers. They performed In the Jungle and although it was hard to listen to at the start of their practise, with some playing out of time, it soon improved and sounded great come the performance.

Sports Day

The children had a fantastic Sports Day. They took part in a round robin of events in the morning and enjoyed the races in the afternoon when parents attended.

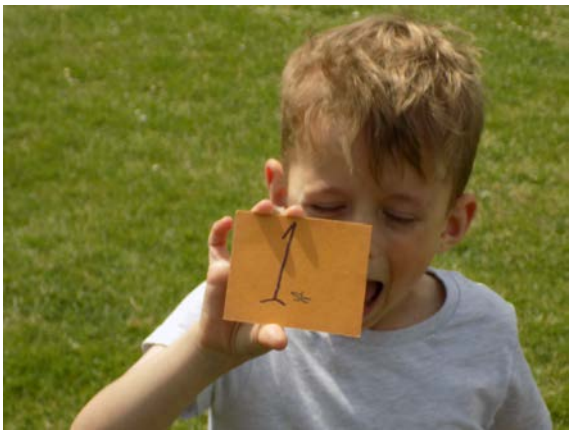

Cake Sale – Monday 10 July

Years 5 and 6 will be making cakes to sell after school on Monday 10 July.

Mental Wellbeing

Dress to be Different

Friday 7th July

There have been so many laughs and giggles today. Today was our Pride Day and we chose the theme dress to be different.

The colourful Mrs Underwood turned into Mrs Winchester and wore all black!

Today we embraced being different and recognising that is okay.

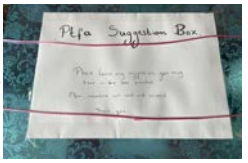

Your Ideas Wanted…… Please!

The PTFA are keen to explore ideas for improving the boat area next to the buggy shelter at the front of the school. They have put an ideas box in the airlock and would really like your suggestions for developing/improving this area. You could sketch these out if you are feeling particularly artistic or pop your ideas on paper and post in the ideas box, or if you have any fundraising suggestions or events you'd like the PTFA to organise and get involved in.

Attendance/Safeguarding

Attendance target set by the government = 96.1%

Current updated Bacton Primary School attendance this year to date 95.23%

Seahorse class attendance year to date 94.69%

Dolphin class attendance year to date 95.88%

Shark class attendance year to date 95.25%

The class with the highest attendance this week was Seahorses with 94.67%

Well Done Seahorse Class

Return to school in September 2023

You may remember that back in the autumn term we consulted on changes to the start and end time of the school day inline with the government white paper. From September 2023 our start and end of day time will be changing – see below

Start	8.35-8.45 drop-off (8.45 the doors close)
Finish	3.15 pickup

Reminders

School Lunches
Please check the school website for the Spring/Summer Menu
There has been some waste lately, please ensure that you order a meal that your child will eat.

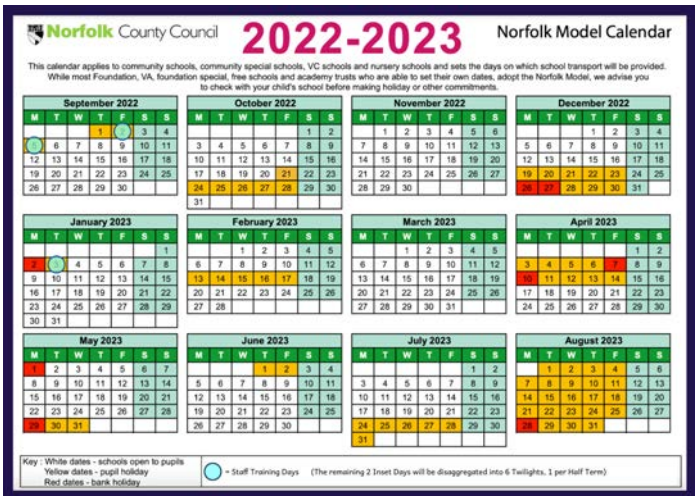

PE Days
On the day your child has PE please ensure they come to school wearing their PE kit. If they are taking part in sports club and it is not their PE day they should come to school in their uniform and bring kit to change into.

Seahorse Class - Years R, 1 and 2	**Monday/Thursday**
Dolphin and Shark Class - Years 3, 5 and 6	**Thursday**
Sharks Year 6 - Swimming	**Thursday - Come to school in uniform with swimming kit please**

Dates for the Diary

Date	Time	Event

07/09/2023	8:45	New Reception children first day of school

Term Dates

All in-term holiday requests will be classed as unauthorised absences. This will likely result in a fixed penalty notice being issued from Norfolk County Council.

In Norfolk, penalty notices are issued in accordance with the Norfolk Local Protocol. In all cases a penalty notice can only be issued if the pupil has accrued at least 9 sessions (4.5 school days) of unauthorised absence within the previous 6 school weeks. This would result in a fine of £60 per child per parent ie; for a family with 2 children this would total £240

The link below has more information about fixed penalty notices.
Fixed Penalty Notices

Uniform
Order directly through Birds of Dereham (any time)
https://www.birdsofdereham.com/

Place your order on the School Money System.
