Thursday 9th May 2024

Dear Parents/Carers,

Moonster Phonics

Changes to reading books

In Seahorse Class we are altering how we use our Monster Phonics reading books. Tomorrow your child will come home with a book from our reading scheme that goes throughout the school. Their Monster Phonics reading book will be kept in school. The books the children will be bringing home are from the scheme they have been reading in school so they are familiar with them. Therefore, please can we ask that your child bring in their reading book and reading record tomorrow so it can be changed and a new one sent home. Please continue to hear your child read and support them with their learning at home.

We are also planning on running a parent workshop event focused on phonics and supporting reading at home either later this year in the summer term or in the autumn term.

In the meantime, if you have any questions please don't hesitate to contact me.

Sincerely,

Megan Lucas
Class Teacher
