Tuesday 24th September 2024

Dear Parents/Carers,

KS2 Multiskills Event at Colby Primary School

On Monday 30th September your Year 3 child has been invited to attend a Key Stage 2 Multiskills event being held at Colby Primary School.

The children will be travelling on a coach leaving just before normal lunch time, and returning in time for normal pick up from school.

Please find below details of requirements for the day:

1. Please send your child in wearing their normal PE kit plus an additional layer (School jumper/PE sweatshirt) - in between activities children may get cold.

2. Children should bring a waterproof coat in case of rain

3. Food & Drink: Please send your child in with an additional drink of water. As we will be leaving before lunchtime, children should bring in their own packed lunch or order a snack pack from the school. No hot lunches will be available.

To confirm your child's permission to attend please complete the google form here:

Online permission form

Kind regards,
Robbie Houghton
Head of School
