AIM Federation: Small schools, big opportunities

18th September 2024

Dear Parents and Carers,

Cake and Catch Up

As we head towards the end of September, we are all feeling very settled in the new school year and there is a fantastic atmosphere in all the classrooms, with lots of exciting learning taking place. This year it has not just been a new start for the children, but a new start for me as well. I have certainly been made to feel very welcome and am looking forward to getting involved in everything that happens in school.

During the start of this term I have thoroughly enjoyed getting to know both the children and staff even better. However, I would also love to have an opportunity to meet the wider school community. On **Monday 30th September**, I would like to invite you into school for coffee, cake and a catch up. This is a relaxed opportunity to come and say hello, as I know the beginning and ends of days can be a little busy and don't really offer the chance for a chat!

Please come along and join me in the hall from **2:30pm** until the end of the school day.

Kind regards,

Robbie Houghton

Head of School
