Dear Parents/Carers

New Email Address

We would like to inform you that our email address has recently changed. To ensure you continue receiving important updates, we have sent a test email to all parents at 3pm today. If you have not received it, please check your spam or junk folder, and kindly add our new email address to your safe sender list.

We always communicate upcoming events and important information via emailed letters, so it's essential that you can receive our messages. Important dates and previously sent letters are also available on our website under the "Latest News" tab for your convenience.

If you are still unable to locate the email, please contact the office.

Thank you for your attention to this matter.

Yours sincerely

Robbie Houghton
Head of School
