

Re - Hire Hub Celebration Event

Wednesday 15th January 2025

Dear Parents and Carers,

We are excited to inform you about an exciting opportunity for our students and community. As part of our ongoing efforts to share and celebrate the successes of the **Bacton Hire Hub project**, we will be filming scenes at the end of this week and early next week for a short film that will be showcased during a presentation to Norfolk schools. This short film will also be featured on our school website and shared across our social media channels.

If we already have your permission for your child to have photographs taken, we will assume they can participate in the filming should they be selected, unless you inform us otherwise. If you have any concerns or wish for your child not to take part, please let the office know by the start of the school day on Friday 17th January.

Additionally, we are looking for enthusiastic parents and carers who would like to appear in one or two of the scenes. I know there was great support for the Hire Hub parent and child sessions led by Premier Sport and if supporting the hire hub through a small cameo appearance is something you would like to get involved in, please don't hesitate to contact the school office —we'd love to have you join in the fun!

Thank you for your continued support as we work together to create what we hope will be a true 'Blockbuster' showcasing the incredible achievements of the Hire Hub project which continues to grow in the range of equipment available to loan.

Remember there is no cost to hire the equipment and all we ask is that it is used as it was intended, is looked after, returned on the next school day and any breakages or missing pieces reported to staff.

If you have any questions or require further information, please don't hesitate to contact us.

Yours sincerely

Mrs Houghton

Head of school
