AIM Federation: Small schools, big opportunities

13 February 2025

Dear Parents/Carers,

As part of our topic on Pirate Legends, we will be looking at how real-life pirates have been transformed into myths and cultural icons through books, films and media. To support this, we plan to show carefully chosen clips from Pirates of the Caribbean: The Curse of the Black Pearl (rated 12A) and Muppet Treasure Island (rated PG).

The clips from Pirates of the Caribbean will only feature the character Jack Sparrow, focusing on how he represents pirate stereotypes in popular culture. No other parts of the film will be shown.

As Pirates of the Caribbean is rated 12A, we would like to give parents the option to opt out if they would prefer their child not to watch these clips. If this is the case, please let your child's class teacher know by Monday 24th February. Alternative activities will be provided for those not taking part.

If you have any questions, please feel free to get in touch.

Yours sincerely,

Robbie Houghton
Head of School
