Dear Parent/Carer

Re: Seahorse Authentic Outcome Parent event

We would like to invite you into school for the afternoon of the Wednesday 26th March to come and try some of the activities the children have been doing as part of their topic 'Isles of Adventure'. As part of this topic we have been learning about Japan and the culture there.

The event starts at 1.30pm and will run until the end of the day. The children will be split into three groups and have a chance to do each of the activities. There will be karate, origami and sushi making. We would love to have as many of you as possible come in and join in with the children. Even if you can only come for part of the afternoon you are more than welcome.

Kind Regards

Megan Lucas
