Re: Special Easter Breakfast Club Event

Dear Parents and Carers,

We will be running our next special breakfast club event on Friday 4th April 2025 with an 'Easter Breakfast'.

Breakfast club is open to all children in Seahorse, Stingray and Shark classes and starts at 7:45. Children will be able to choose from a selection of hot and cold breakfast options.

Alongside our usual toast and cereal options, children will be able to choose a hot breakfast consisting of sausage and beans on toast. (Thank you to Mr and Mrs Ottley from Blue Welly Farm for their kind donation of sausages for the event).

There will also be a selection of Easter activities available for the children too.

Normal Breakfast Club charges apply and children need to be booked in for this event before Monday 31st March so that the appropriate amount of food can be ordered. This can be done via School Money.

We look forward to welcoming children to our special breakfast club.

Yours sincerely

David Hopkins and the Bacton Breakfast Club Team
