Dear Parents and Carers,

Re: Reception Place Offer – September 2025

We are delighted to confirm that your child has been offered a place at Bacton Primary School for September 2025.

A very warm welcome to you and your family! We're excited to have you join our school community and are looking forward to welcoming your child as they begin their journey into Reception. This is such an important and special time, and we want to make the transition from preschool as smooth and positive as possible.

To support this transition, we've arranged a series of activities for your child to take part in. You'll find the **Transition Timetable** enclosed on **page 2** of this letter, which outlines key dates and events.

We'd also like to invite you to our **Reception Parent Information Afternoon** on **Tuesday 10th June at 3:30pm**. This session is for **parents and carers only**, as we'll be sharing a lot of important information about your child's start at school. There are plenty of fun and engaging events planned especially for the children during their transition visits. Please sign in at the **Infant School reception** when you arrive.

You will receive more information soon about your child's class and the next steps as part of our transition process. In the meantime, we encourage you to visit our website at www.aimfederation.org for useful resources and a chance to look at our curriculum.

We're very much looking forward to welcoming you and your child to Bacton Primary School and to working together in the months ahead.

Kind regards,

Robbie Houghton and Megan Lucas

Head of School Class teacher
