11th June 2025

Dear Parents and Carers,

Messy Play Afternoon

We are delighted to announce that we have planned a messy play afternoon for Seahorse and Starfish children on Tuesday 24th June.

This will involve the children in Starfish and Seahorses coming together to experience some different messy play experiences such as play safe mud, spaghetti and large pieces of paper with paint and cars. An adult will go round with each group supporting their play. The aim of the session is for children to engage with different sensory and messy activities as well as supporting transition for the children coming into reception in September. We will spend the afternoon in a carousel going around four different activities outside on the playground, field and Seahorse outdoor area.

Please can we ask all children to bring in a hat, at least one change of clothes and a towel. Some of the activities may lead to children getting wet and messy so we would like to send them home dry and comfortable at the end of the day.

If you have any questions please let us know.

Kind regards,

Megan Lucas and Zoë Carter

Seahorse Class Teacher Preschool Manager
