AIM Federation: Small schools, big opportunities

Dear Parents and Carers,

We are excited to begin the process of selecting our new **School Council Representatives and House Captains** for this academic year.

The School Council plays an important role in giving pupils a voice within our school community. It is a fantastic opportunity for children to develop leadership, teamwork, and communication skills, as well as take part in helping to improve our school. Additionally, House Captains will support the organisation of events and work alongside the School Council.

Pupils in **Year 1 - 6** can put themselves forward to be a **School Council** representative and any pupils in **Year 5 and 6** could be selected to be a **House Captain**.

If your child would like to be considered for one of these roles, they are invited to prepare and present a **short speech** for Monday 15th September, explaining why they would be a good representative. This could include qualities they have, ideas they'd like to share, or ways they would like to make a difference in school life.

The deadline for speeches will be Monday 15th September and the school will then vote for their representatives on Tuesday 16th.

We encourage all pupils who are interested to take part, and we look forward to hearing their ideas and enthusiasm.

Thank you for your support.

Kind regards,
Robbie Houghton
Head of School
