AIM Federation: Small schools, big opportunities

25th September 2025

Dear Parents and Carers,

Year 6 Weavers Way Wildlife Walk

We will be taking our Year 6 pupils on a walk along the Weavers Way on Thursday 2nd October 2025. The children will be travelling to the start of the walk in North Walsham via minibus and will then walk along the Weavers Way to Swanton Abbott Primary School. Once at the school they will have their lunch and take part in topic activities with children from Swanton school, before returning to Bacton Primary via minibus. We will arrive back at school at 3:30pm.

What the children will need:

- Packed lunch
- Sensible shoes that are comfortable to walk in
- Layers of clothing as the weather can be changeable at this time of year they can always take off a layer if they get too warm.
- A water bottle

The walk will tie in with the topic the children have been working on so far this term - Nature Noticed, as well as giving them a chance to explore the local area. Please confirm your consent by following this link.

Mr Hopkins, Miss Kingston and Mrs Temple will be accompanying the trip.

Many thanks,
Robbie Houghton
Head of School
